

Invitation to Enviro's virtual Capital Markets Presentation

Scandinavian Enviro Systems hereby invites owners as well as representatives of the capital markets and media to participate in a virtual Capital Markets presentation on Friday, October 15th, 2021, between 3:00 p.m. and 4:00 p.m. CET. Enviro's CEO Thomas Sörensson and Chairman of the Board Alf Blomqvist will participate in the presentation.

N.B. The English text is an in-house translation of the original Swedish text. Should there be any disparities between the Swedish and the English text, the Swedish text shall prevail.

At the presentation, the company will provide a general update on the progress of efforts to establish new recycling plants and outline the company's view on how the global market for recovered carbon black and pyrolysis oil will develop. A summary of the key points will be published in the form of a press release in conjunction with the publication of the presentation.

The presentation will be in English and webcast via <https://www.youtube.com/watch?v=ja7vi8B2C24>. Since the presentations are recorded, it will not be possible to ask questions during the actual presentation. Shareholders and representatives of the capital markets and media are welcome to submit questions by e-mail to the company's CEO and CFO after the presentation. Responses to a selection of the questions will be given and subsequently published on the company's website.

Date and time: October 15, 3:00 p.m. to 4:00 p.m. CET

Enviro is a company developing, building and operating industrial plants for material recovery from End of Life Tyres (ELT). The company has developed a process, based on a patented technology, where gas generated in the process is heating the tyres in absence of oxygen. This enables the materials in the tyres to decompose and be recovered instead of incinerated. Thus, a sustainable recovery of the resources Carbon black, Oil, Steel and Gas is obtained. The products are used in new products, replacing fossil resources to help the customers reach their sustainability targets. Enviro was founded in 2001, has its head office in Gothenburg and runs its own plant for ELT tyres in Åsensbruk, Sweden. The company is listed on the Nasdaq First North Growth Market with Mangold Fondkommission AB, tel. +46 (0)8 5030 1550, ca@mangold.se, as its Certified Advisor. www.envirosystems.se
